4th November 2026

Year 6 Advent Food Bank Collection – West Craven Food Bank

Dear Parents and Carers,

As we approach the festive season, Year 6 will be taking part in an **Advent Food Bank Collection** to support our local West Craven Food Bank and help families in our community this Christmas.

Each day, we will pick a name from a hat, and we would love that child to bring in a donation the following day to place in our collection box under the Christmas tree.

Donations can include **tinned or dried food, toiletries or even a small toy** to help bring a little extra joy to someone this Christmas.

Please don't worry if you are unable to send an item in from home. I will have a box of donated items in the classroom for children to choose something from to add to our collection. We want every child to have the opportunity to take part, with no pressure on families to contribute.

Our collection will start on 9th November (ensuring 29 school days - one day per child). At the end of term, on our last day before the Christmas holidays, we will take all of our donations to West Craven Food Bank.

This is a lovely opportunity for the children to think about others and show kindness and generosity during the Christmas season. Thank you, as always, for your support in helping us make a difference to our local community.

Warm wishes,

Mrs Toor
