There are still quite a number of older children coming to school without a coat. As we are now in the Autumn Term and the weather is getting colder, please could all children bring a coat every day, thank you.

#### WEST CRAVEN MATHS CHALLENGE

Last night two teams of Y6 pupils competed against other local school in the West Craven Maths Challenge. We are very proud - both of our teams were in the semi final, with 'The Chocolate Muffins' only just pipping 'The Elf Owls' to the prize! **Well done to both teams!**

#### SCHOOL DINNERS

We have noticed that a lot of Infant children regularly choose to have school packed lunches made instead of a hot dinner. With the cool Autumn weather coming, you may prefer for your child to have a hot meal more often to keep them cosy all day!

## Home Learning

Please refer to the Curriculum Newsletters for details of your own year group's home learning. These will be available on the school website. If children complete their home learning on time they awarded lots of merits - however, if they do not, from Year 2 upwards they will have to spend some of their play / lunch time completing the work.
