Health & Safety Notice:

If you wish to bring a pram into school, it will need to be left in the former Y3/4 cloakroom. This is due to fire escape access and the risk of wet floors in school.

Thank you for your cooperation.

Advance notice: The whole school will be singing around the tree on 17th December from 2:45pm. If possible, please could children bring a **small torch** on the day so that they can read their song sheets in the dark! Thank you.
