WELL DONE EVERYONE!

We are really pleased to announce that we have gained the 'Spread the Happiness' Award!

We are so proud of all the children and staff in Nursery, Reception and Year 1 who have led the month long programme of activities. Some of the activities the staff and children have enjoyed, just for fun, include dancing under a hosepipe, making cakes, singing to parents, having dance-alongs, and many more!

Miss Nutter deserves a special thanks for being instrumental in driving activities forward.

Spreading the Happiness is contagious - we are a really happy school and community. Long may it continue!
