WELL DONE EVERYONE!

Reading Award

This year as a school we are working towards a Silver Level reading award through 'One Education'. This award focuses on decoding, understanding and reading for enjoyment. Reading is taught well in school, but as part of our journey from Good to Outstanding we want to be the best we can be, and inspire all our children to be life-long readers. Reading inspires writing, imagination, and is an essential skill needed for life.

What can parents do to help?

Reading for enjoyment starts at home, so we are asking parents to continue sharing stories, asking questions about what your child is reading, and encouraging a variety of text types eg magazines, annuals, factual books and narrative.

This reading award will be evaluated and judged in November 2017.
