KS2 Booster Swimming Lessons

Dear Parents/Guardians,

As part of your child's continuous learning throughout their school life, we have used some of our sports grant to enhance swimming at Gisburn Road; therefore swimming lessons will begin this Friday for your child at West Craven Leisure Centre. It is compulsory that your child participates in the swimming lessons in order to improve their confidence in the water and help give your child essential water safety skills. Swimming is also part of the National Curriculum for PE.

Swimming lessons will begin on Friday 10th January in school time from 1:30-2pm and will last for 8 weeks, finishing on Friday 13th March. We will be walking to the Leisure Centre and then collected by our school minibus. During this 8-week period, your child will learn a range of different swimming techniques and life-saving skills to give them the maximum opportunity to achieve the National Curriculum swimming standards by the time they have finished Year 6.

Appropriate swimming kit:-

Boys:

- Swimming trunks or Cycling shorts (NOT long shorts)
- Towel

Girls:

- Swimming costume (NOT bikini)
- Swimming cap
- Towel

Yours Sincerely,

Mr T Bradshaw

PE Coordinator

I acknowledge receipt of the swimming letter and allow my child _____ to attend the extra swimming sessions on Friday's at West Craven from 1:30-2pm for an 8 week period.
