Following a childhood dream –  
The photography of East Lancashire

*Saturday 22 June 2024*

*2pm*

*Colne Library*

Following his parents buying him his first camera when he was seven, Andy said one day he would be a professional photographer. He got there when he turned sixty, just shows that you can achieve your dreams in life if you stick to your task!

**A talk and presentation of photographs from across East Lancashire taken by Andy to showcase the area - from wildlife, to people, to places; a diverse mix of photos that will hopefully generate interest and conversation.**

Since January 2024, volunteers have been digitising the historic photographs stored at the library so that people can enjoy them at exhibitions and online.

You can view the digitised images at: <https://redrosecollections.lancashire.gov.uk/>
