18th September 2023

Dear Parents/Carers

On Tuesday 26th September, the whole school will be celebrating the European Day of Languages with various activities being held within your child's class. This will be a fantastic opportunity for your child to engage with different languages and celebrate cultural diversity.

Non-uniform Day

Each class teacher has chosen a country for their class to explore, and we are asking children to dress up in one or more of the colours of the flag for that country:

Pre-School – Wales – Green, Red, White

Reception – France – Red, White, Blue

Year 1 – Scotland – Blue, White

Year 2 – Spain – Red, Yellow

Year 3 – Germany – Black, Red, Yellow,

Year 4 – Italy – Green, White, Red

Year 5 – Greece – Blue, White

Year 6 – Ireland – Green, White, Orange

In addition, we will also be running a poster competition.

Reception, Year 1 and Year 2 – you are being asked to design a poster about your country.

Years 3, 4, 5 and 6 – your challenge is to design a poster to explain why it is good to learn other languages.

Please make sure you have included your name and your class on it. Entries must be submitted by 9am on Tuesday 26th September to Mrs Mitchell. Prize-winners will be announced later in the week!

We are really looking forward to this special event in school and cannot wait to see what exciting things your teachers have got planned!

Best wishes,

Mrs Toor

Together we dream it, believe it, achieve it!
