SPORTS NEWS

Well done to 28 children from Year 5 and 6 who took part in a 2 day Bike Ability course this week organised by Go Velo. On Day 1 (Monday) the children spent time on the MUGA learning the key basics for how to ride a bike safely and also learnt the correct signs/signals to use when riding on the road. On Day 2 (Tuesday), some of the children then learnt how to ride safely on the roads local to school whilst some of the children continued learning how to ride a bike safely – working on balance on the MUGA. The children all worked really hard and the instructors said that their behaviour over the 2 days was a credit to our school. Well done everyone!
