Please let us know as soon as possible if your child is unable to attend school to allow us to keep our records up to date. Thank you.

Sports News:

Well done to our Year 3/4 Tennis team who won BRONZE medal at the Pendle School's Tennis competition on Monday afternoon at Pendle Vale College.

The children played individual matches against lots of other schools from Pendle and due to winning so many matches, once the points were all accumulated, we got the results and found out that we finished the afternoon in 3rd position – very narrowly missing out on the silver medal position. Well done everyone... You were fantastic!

Pendle Music Festival

Well done to our school choir who sang their little hearts out last week at The Pendle Music Festival. You were AMAZING!

The choir sang four songs: Zimbole (African Folk song), Count on Me (Bruno Mars), Che Che Kuley (African folk song) and This is Me (from the film The Greatest Showman). You all looked great in your lovely choir t-shirts, you all sang beautifully with smiles which showed how much you enjoyed performing and you are all a real credit to our school. Mrs Baptie is a very proud choir teacher!

NSPCC - Keeping Children Safe

Summer nights are here!

It's something every parent experiences. The day that their child starts asking if they can go out on their own or with friends. It's just a natural part of their growing independence and, like every part of growing up, it can be a challenging hurdle for a parent to overcome.

Just like deciding when a child's old enough to be left at home on their own, there's no set age when you know it will be safe for them to go out without you. Obviously, toddlers and young children won't be able to stay safe without you watching over them, and even older children have different levels of maturity. So some 11 year olds will be quite capable of going to the park or the shops on their own but others might not be ready to do this safely.

As well as thinking about how mature your child is for their age, the decision about whether you're happy for them to go out alone will depend on where they're planning to go. For example, going to the playground round the corner is very different to catching a bus to the local shops.

Because we all want our children to be as safe as possible, you really need to feel comfortable before letting them go out on their own. So some of the questions to ask yourself before you make up your mind are:

- where and when do they want to go?
- what do they want to do there?
- who's going to be with them?
- how far away are they going?
- what time will they be back?
- how can I reach them?
