Sports News:

Yr5/6 Orienteering

Yr4/5 Cricket

Another BRONZE medal!!
A team of Year 5/6 children came 3rd out of over 10 schools that entered this morning at Holt House in the Pendle Schools Orienteering Competition meaning we came away with another bronze medal - carrying on the great recent news in our sports competitions. Well done everyone!

Well done to the Year 4/5 mixed cricket team who very narrowly missed out on getting to the final this afternoon at Colne Cricket Club and finished the competition in joint 3rd position. Great work guys! 🏏

FOGR Beach Party Disco

Thank you everyone for coming along to our beach party disco, we hope the children had lots of fun. An extra big thank you to all the staff and volunteers who gave up their evening to help out and help raise a massive £226.24!! 😊

Yr 4 River Walk

Year 4 had a great afternoon on Wednesday, their behaviour was fantastic and they were a credit to the school. 😊 They went walking in the sunshine whilst discovering the different streams and rivers around Barnoldswick. Can they tell you what a bend in the river is called?

Yr2 Trip to Blackpool

Year 2 has a fantastic day out in Blackpool on Monday at the tower and making sand art in the style of Andres Amador. They all behaved brilliantly, what an absolute credit to our school, well done Yr2! 😊

Keeping Cool in Reception!

Spreading the happiness in Reception today. We had a little water fight to try and cool down a little. 🌧️ The children could choose if they wanted to take part or not and we had so much fun!

Yr6 Fundraising

A MASSIVE thank you to everyone for your support this week. We have now sold out of ice pops and have raised over £200!!

Together we dream it, believe it, achieve it!

Celebrating achievement

Stay Safe In The Sun

We all love a sunny day, but it's important to protect yourself and those in your care and be mindful of how long you've been outside. Cancer Research UK (CRUK) and Public Health England (PHE) are campaigning to raise awareness of skin cancer due to a high level of exposure to the sun by advising and supporting people in how to reduce their cancer risk.

You can protect your family, friends and those you care for from the dangers of sun exposure in the following ways:

- Too much ultraviolet (UV) radiation from the sun or sunbeds is the main cause of skin cancer and even in the UK, the sun can be strong enough to cause damage to your skin.
- Sunburn can easily catch you out, especially if you have fair skin, lots of moles/freckles, red/fair hair or light coloured eyes. So it's important we are protected when the sun is strong. Sun safety tips: Spend time in the shade when the sun is strongest. In the UK, this is between 11am and 3pm from March to October. Make sure that you:
 - never burn;
 - wear a hat, t-shirt and sunglasses to cover up for protection;
 - take extra care with children;
 - use umbrellas, trees or canopies or just head indoors;
 - use sunscreen with at least SPF15, put plenty on and remember to re-apply. Try the shadow rule: UV rays from the sun are strongest when your shadow is shorter than you, so that's when you're more likely to burn
