

Gisburn Road Year 2 Week 9

Home Learning Tasks

Hello everyone,

Thank you for everyone's emails and again well done to everyone who is managing to complete work on Purple Mash. Thank you for all your hard work. If you download this document from the school website, the links will work.

As always, why not start off your day at 9:00 with live P.E. from Joe Wicks
<https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ>

Maths

This week's maths again comes from BBC Bitesize. There is a slideshow to watch and then links to the related worksheet on Twinkl. If you don't have a printer, just try doing some of the examples in your Home Learning Book. Just do what you can and don't worry if you can't do everything. I have also added a few maths activities onto this week's Purple Mash.

This week's maths –

Purple Mash

Again, there are some great English activities on Purple Mash this week. This week there is a story called Sam's Wet Day and a few maths activities.

There are great painting activities to explore. A link to Purple Mash and passwords can be found on the school website.

Topic – Geography

This week I would like you to learn about the weather. Can you -

- Watch a weather forecast?
- Write a weather forecast for tomorrow and see if you were right?
- Can you keep a weather diary for this week?
- Write down the different types of weather we have in the UK?
- Explore these activities from the Met Office?
