Dear Parents and Carers,

I am pleased to share some exciting news with you. This Friday, we will be welcoming two prospective Headteachers into school as part of our recruitment process. We are very pleased to have reached this stage and are really looking forward to them experiencing all that makes our community so special.

During their visit, the candidates will spend time in classrooms, meet members of staff and get a feel for daily life at our school. They will also lead a short whole-school assembly (separately), giving the children a chance to meet them and hear a little about who they are and what matters to them.

We are especially proud that our School Council will play an important role in the day. They have come up with some brilliant, thoughtful questions and will be interviewing the candidates themselves! It is a wonderful opportunity for our pupils to have their voices heard and to play an active role in such an important decision.

As always, we know that all of our children in school will be wonderful ambassadors. Their warmth, enthusiasm and excellent behaviour are what make our school such a welcoming place and we are confident they will enjoy the morning and make us all proud.

Thank you, as ever, for your continued support. I will keep you updated as the process moves forward.

Warmest wishes,

Mrs Toor

Acting Headteacher
