Reception Parents in school-Mini-beast making

Dear Parents/Carers,

You are invited to join us on a 'Creative Creation'. You will be working with your child to make a mini-beast model using recycled materials. Please could I ask that you bring the recycled materials from home. We have resources in school such as: - glue, sellotape, paint and decorating items but you will need to decide what mini-beast/insect you're going to make and collect some recycled materials that will help your design. If you would like to bring your own additional items to decorate it with please feel free to do so.

It would be wonderful if you or someone close to your child could attend one of the sessions below.

The session will take place in the infant hall/classroom at 1.30pm on Tuesday 13th May or Wednesday 14th May. The session will be for the afternoon and finish at 3pm. Please wait at the top gates where Miss Anderson will let you in at 1.30pm.

Please return the slip by Friday 9th May at the very latest and indicate which session you would like to attend.

Thank you for your support,

Mrs K Heaton, Miss Anderson and Mrs Fent
