2nd March 2026

Dear Year 6 Parents and Carers,

I am writing to inform you that Mrs Bradley will be absent from school for two weeks (commencing 12th March) due to a scheduled operation.

We are pleased to let you know that an experienced Year 6 supply teacher, Mrs Porter, will be covering the class during this time to ensure continuity of learning and preparation, particularly at this important stage of the academic year. All planning and expectations will remain consistent so that pupils experience as little disruption as possible.

Importantly, the existing support staff, Mrs Mitchell and Mr Wood, will remain with the class throughout the two-week period. Their continued presence will help provide stability and familiarity for the children.

We appreciate your understanding and support. Should you have any questions, please do not hesitate to contact me.

Warm wishes,

Mrs L Toor

Acting Headteacher
