10 children from Year 2 had an exciting afternoon on Tuesday. They went to Pendle Vale College in Nelson to use their HUGE climbing wall. Despite the wall being very high and quite scary, this didn't affect the children as they all showed bundles of confidence to climb right to the top of the wall. The children all had a fantastic time and couldn't wait to speak about their experience when they arrived back at school. Their behaviour was fantastic and the instructors couldn't speak highly enough of their behaviour. Thank you to Fiona from the Pendle Sport Partnership for arranging this for them. We hope you had a great afternoon!

Dear Parents/Carers

At times, circumstances beyond our control may mean that things 'change' suddenly. We would like to reassure you that we will always do our best to ensure consistency and a high level of teaching and learning to make sure that children are safe and happy at school. We would like to take this opportunity to thank you all for your patience, understanding and support in these matters. #team Gisburn Road

Before and After School Club.

Can parents/carers please make sure that you book your child/children in to Before and After School Club in plenty of time so that we can sort staffing out and ensure your child gets a place when needed. Alternatively to booking them on through Parent Pay, please do come to the office for a form or email us at office@gisburnroad.lancs.sch.uk. At the moment we are finding that requests for places aren't coming through on Parent Pay as promptly as we would like a problem we are in the process of correcting.

Bag 2 School is a company that specialises in good quality second hand clothing that can be re-used and we have arranged to make a collection from your School.

We will be handing these bags out to the children after half term and collecting them back for 9.00am on the 19th March. Remember the more you collect the more your School benefits.

Together we dream it, believe it, achieve it!
