DIARY DATES

Wed 7th Feb – Sponsored Fitness Event

with Rebecca Gallantree

Thursday 8th Feb – Parents in Yr4

Friday 9th Feb – Yr1 Parents assembly

Friday 9th Feb – Non Uniform Day

Spring Term Parents Evening 2018

School will close at 2.00pm on Monday 19th March so Parents Evening can begin. Appointments can be arranged between 2.15pm and 7.45pm through your child/ren's Class Teacher nearer the time.

Please remember to pick up an application form for Nursery. These can be obtained from the school office for places in September. We have a variety of session options available. Mornings/afternoons and full days. You can even tag before and after school sessions to either end of your child's day. Please ring for more information – 01282 812287, Miss Kitson will be happy to help.

Reminder

Can all children make sure that they have their indoor PE Kit for Wednesday 7th February for the sponsored fitness event with Rebecca Gallantree. All sponsorship forms and money need to be in no later than Friday 9th February.

Attendance

Attendance is key in order for children to make good progress. Please ensure your child attends every day. Although there have been some nasty viruses around lately, the odd sniffle doesn't warrant being kept off. Please be reassured that if your child is ill we would contact you immediately.

Can we ask you to please make sure that any changes in your contact details are taken to the office so that they can be updated straight away.

Thank You

Before and After School Club.

Thank you for booking on more promptly either via the office or through ParentPay (which is working much more efficiently at the moment). Could we make you aware that **24 hours' notice** needs to be given if any children cannot attend any of the sessions they have previously been booked in for as you will still be charged. The Number for Before and After School Club, should you need to get in touch after the office closes at 4.45pm, is **07376038383** :0).

When using Parent Pay please make sure you are selecting the correct option when making payments. You will need to make these options for **each** of your children individually. If you put all the money in one child's account it will show as a debt on your other child/ren's accounts. Parent Pay does not automatically divide the monies between them all.

Together we dream it, believe it, achieve it!
