6<sup>th</sup> February 2026

Dear Parents and Carers,

Following our recent parent survey and the valuable feedback we received, we have reviewed how we share information with you.

From next week, the school newsletter will be sent out **monthly** rather than weekly. This change is designed to make communication more streamlined while still ensuring you receive all key updates and news from across the school.

Please note that **weekly communications via text and letter will continue** for important notices such as rewards, achievements and diary reminders. Following your feedback, the poster-style adverts for community events and activities (such as holiday clubs) will now be accessed via a link (leading to a separate webpage) on the weekly communication. This ensures you won't miss time-sensitive information.

Thank you for taking the time to share your views with us — we value your feedback and it genuinely helps us improve how we work in partnership with families.

Warm Wishes,

Mrs Toor

Acting Headteacher

**Where family and learning unite**

respect • appreciation • honesty • kindness • perseverance
