9th October 2026

Dear Parents and Carers,

Please could we ask for your support in keeping the pavements around school clear and safe at drop-off and pick-up times?

We have become aware of a vehicle being parked on the pavement, blocking access for pedestrians. This can make it difficult for families with prams and pushchairs, as well as children and other pedestrians, to pass safely.

We appreciate that these times of day can be busy, but please could everyone take care to park considerately and ensure that pavements remain clear for all pedestrians.

Thank you, as always, for your support and for helping us to keep our school community safe.

Kind regards,

Mrs Lisa McCloskey
Headteacher
Gisburn Road Community Primary School
