### Reception Parents in school-Valley Gardens

Dear Parents/Carers,

You are invited to join us on a local walk to and around Valley Gardens on Wednesday 6<sup>th</sup> May. As part of our Understanding the World work based on Mini-beasts, we will be walking down to Valley Gardens to go on a mini-beast hunt to see how many different mini-beasts we can find working with our grown-ups.

It would be wonderful if you or someone close to your child could attend this session. We will meet at the gates near the back of Reception classroom at 1.45pm and we will all walk down together.

If the walk is cancelled for any reason I will text out to parents ASAP.

Please return the slip by Friday 1<sup>st</sup> May.

Thank you for your support.
