Design a Sculpture for Barnoldswick!

Barnoldswick is a town full of big ideas. Long ago, people made cloth here, and later the first jet engine was tested in our town. Amazing things can happen in Barnoldswick!

Now Barnoldswick's **Stream and Steam Heritage Trail** is getting bigger, with new sculptures, nature spots and fun things to discover.

🎨 **Your Challenge**

Design a sculpture inspired by:

- Barnoldswick's history
- Nature, wildlife or geology
- Our streams and waterways

Let your imagination run wild!

🏆 **You Could Win!**

Two winning designs (primary and senior school age) will be turned into **real sculptures** and displayed in **Letcliffe Park**. You could even help the sculptors bring your idea to life.

📅 **Deadline**

13th November 2026

📩 **Send Your Design To**

clerk@barnoldswicktowncouncil.gov.uk

Subject: **Sculpture Competition**

Let us know if you are in **primary or senior** school so we enter you in the right category.

Get creative and show us what makes Barnoldswick special! 💥
