

Space Medley 2019

A Sky Full of Stars (Coldplay)

'Cause you're a sky
'Cause you're a sky full of stars
I'm gonna give you my heart
'Cause you're a sky
'Cause you're a sky full of stars
'Cause you light up the path

When you smile then you light up my life
When you smile, so do I
Oh, oo
'Cause you're a sky
'Cause you're a sky full of stars
I'm gonna give, I'm gonna give you my heart

Starlight (Taylor Swift)

I said 'oh my' what a marvellous tune
It was the best night,
Never would forget how we moved
The whole place, was dressed to the nines
And we were dancing, dancing
Like we're made of starlight,
Like we're made of starlight.

He said 'look at you,
Worrying too much about things you can't change
You'll spend your whole life singing the blues
If you keep thinking that way'
He was try'n' to skim rocks on the ocean, saying to me
Don't you see the starlight, starlight?
Don't you dream impossible things?

Like 'oh my' what a marvellous tune
It was the best night,
Never would forget how we moved
The whole place, was dressed to the nines
And we were dancing, dancing
Like we're made of starlight,
Like we're made of starlight.
Like we're made of starlight, starlight,
Like we're made of starlight.

Walking on the Moon (The Police)

Giant steps are what you take
Walking on the moon
I hope my legs don't break
Walking on the moon
We could walk forever, walking on the moon
We could live together, walking on, walking on the moon

Some may say
I'm wishing my days away
No way, and if it's the price I pay
Some say tomorrow's another day
You'll stay, I might as well play

Fly me to the Moon (Bart Howard)

Fly me to the moon and let me play among the stars
Let me see what Spring is like on Jupiter and Mars
In other words hold my hand
In other words darling love me
Fill my heart with song and let me sing forever more
You are all I wish for all I worship and adore
In other words hold my hand
In other words I love you

Space Truckin' (Deep Purple)

Well, we had a lot of luck on Venus;
We always had a ball on Mars.
We're meetin' all the groovy people;
We've rocked the Milky Way so far
We've danced around the Borealis
We're space truckin' round the stars

Come on! Come on!
Come on! Let's go space truckin'
Come on! Come on!
Come on!

We've got music in our solar system;
We're space truckin' round the stars
Come on! Come on!
Come on! Let's go space truckin'
Come on! Come on!
Space truckin'

Re-write the Stars (Benj Pasek and Justin Paul)

Why don't we re-write the stars?
Say you were made to be mine?
Nothing could keep us apart,
You'd be the one I was meant to find.
It's up to you, and it's up to me
No-one can say what we get to be
So why don't we re-write the starts?
Maybe the world could be ours tonight?

All I want is to fly with you
All I want is to fall with you
So just give me all of you
It feels impossible, but is it possible?
Say that it's possible.

Why don't we re-write the stars?
Say you were made to be mine?
Nothing could keep us apart,
You'd be the one I was meant to find
It's up to you and it's up to me
No-one can say what we get to be
So why don't we re-write the stars?
Maybe the world could be ours tonight.
