Staffing change in Year 2

Dear Parents,

As a result of internal movements in school, I'm informing you of a staffing change.

I am excited to tell you that from Monday 26th September your child's new class teacher will be **Mrs Keziah Brown**. The support staff will remain as they are now.

Your child's happiness and safety is paramount and we will ensure a smooth transition is in place with clear communication and complete handover between the teachers. Mrs Brown already knows your child very well so we are confident this will be a positive transition.

If you have any questions or concerns, please ring or email me at head@gisburnroad.lancs.sch.uk

Warmest wishes,

Mrs Toor

Acting Headteacher

Together we dream it, believe it, achieve it!
