

The Crazy Zoo

If you're bored on holiday
And haven't got a clue
How to spend a fun day out,
Here is what you do
There's a place that we all know
It's just the thing for you
Satisfaction guaranteed!
At the crazy zoo. WHERE?

There are penguins eating pizza
Lions in the loo
Bears that wear pink underwear
It's crazy at the zoo!
Rock 'n' rolling rhinos
A kung-fu kangaroo
A hip-hop hippopotamus
It's crazy at the zoo!

A ballet dancing buffalo
In a tiny tutu too
An elephant in spotty pants
It's crazy at the zoo!

The zebra stripes are painted
Orange, red and blue
The tigers pink and purple
It's crazy at the zoo-oo-oo-oo!

These crazy mixed up creatures
More than just a few
Are special and original
Bonkers but it's true

There's a giggling gorilla
Gnagging the gnu
Anything can happen
When you go to the zoo. WHEN?

There's a parrot that is potty
Sings cock-a-doodle-doo
A crocodile with a toothless smile
It's crazy at the zoo!

There are lemurs wearing lipstick
Monkeys that go moo

Snakes in socks are tied in knots
It's crazy at the zoo!

An orangutan that tangos
With a cock-a-too
A vulture that insults ya
It's crazy at the zoo!

All the clever keepers
Managing the queue
They're selling lots of ticket
For the crazy zoo-oo-oo-oo

We're going to the zoo, the crazy zoo
We've made the sandwiches too
I've got my wellies, I've packed my bag
I've got my camera too
I'm not scared 'coz I'm dead brave
No teeth can chew me through
No fur will fly, no roars will roar
Coz I can shout back too-oo-oo-oo

Monkeys wearing lipstick shouting moo moo moo
And the parrot that is potty singing doodle-doo x4
M, moo moo moo, doodle doo

Kung-fu kangaroo he cooks karate chops
While the rock 'n' rollin' rhino chases snakes in socks x3
Karate chops, snakes in socks

Giggling gorilla going tee-hee-hee
And the vulture that insults ya, going ha ha ha x 2
Tee hee hee hee, ha ha ha

The crazy mixed up creatures at the crazy zoo
Anything can happen at the crazy zoo
