Dear Parents and Carers,

At Gisburn Road, we know that strong relationships between home and school help us give our children the best possible support.

As always, if something happens during the school day that worries you or your child, please let us know. We are always happy to listen and help.

Your child's class teacher is the best person to speak to in the first instance, either at the end of the school day, by telephone through the school office or by email.

If you feel your concern needs further discussion, please contact the school office so we can help.

Thank you for your continued support and for working with us to make Gisburn Road a happy, safe and caring place for all our children.

Kind regards,

Lisa McCloskey
