Friday 10th September

Year 1 Parents in school

Dear parents/carers

We are very excited to be able to invite you to join us in school to help us with our History learning. The children are learning about events within our memory and next week we are taking a closer look at our own families. Please can I ask you to send a picture of your child when they were younger in to school, with their name and the date written on the back, this will help us to look at how we have changed as we have grown. On Monday 20th September in the afternoon, you are invited in to school to help your child make a family tree. There will be two sessions to limit the amount of adults within school at once. If you would like to join us, please return the slip below to state which session is your preferred time.

Please return the slip by Thursday 16th September.

Thank you for your support.
