### Year 2 Parents in class

Dear parents/carers,

As previously mentioned within the newsletter, you are invited to join us in school to come and work with your child/ren to complete their Design Technology unit, 'Vehicles'. Pupils have already designed their vehicle as a space buggy and made the chassis, along with the axles and wheels and this lesson requires them to finish off their design.

On Friday 22<sup>nd</sup> March at 2:20pm, you are invited into school to take part in our DT lesson to help them to complete their vehicle, adding the final touches. You may wish to bring in some craft materials if you wish, to help with the design, however we will have plenty at school. You may take your child home with you when the session finishes at 3:10pm. Any pupils whose parents/carers cannot attend will work with us to complete their design and will all take part and have fun. Please don't worry if you can't make it – we appreciate we have many busy working families!

We look forward to seeing you soon.

Mrs K Brown, Mrs S Brown & Mrs M.Mitchell

Year 2 teaching staff
