Year 3 Volcano Workshop

Dear Parents and Carers,

We are very excited to let you know that Year 3 will be taking part in a **Volcano Workshop** on **Thursday 8th October**, as part of our geography topic on volcanoes and natural disasters.

The workshop will take place **in school during the morning** and will be run by a fantastic external provider, **Celeld Rocks**, who specialise in bringing geology to life for children.

During the session, pupils will get hands-on with **realistic volcano models**, take part in **eruption demonstrations**, and even **handle real volcanic rocks!** It promises to be **messy, interactive and lots of fun**, while also helping to deepen their understanding of how volcanoes are formed and the impact they have on our world.

To help towards the cost of the workshop, we are kindly asking for a contribution of **£10 per child**, which can be made via ParentPay, by 1st October.

If you have any questions, please do not hesitate to get in touch.

Thank you for your continued support.

Mrs N Fullalove
Year 3 Teacher

Where family and learning unite
