

Year 4 Home Learning – Spring 2

Activity 1

Where would you like to go? Choose a location in Europe and explain why, what you would do there and what countries you would pass though on your way there.

Activity 2

Create your own model, painting or sculpture of a key site or major monument or building in Europe (e.g. the Eiffel Tower).

Activity 3

Write a leaflet/poster explaining about the positive uses and dangers of webcams.

Activity 4

Learn a traditional song or dance from a European country. You could take a video and email into class

powerfulowls@gisburnroad.com

Activity 5

Create a mood board of a European Country – include pictures/photographs, information such as climate, population, physical landmarks (mountains/rivers), manmade landmarks (castles/towers/churches), foods and traditions.
