

Good morning year 1,

Today we have had to close the school but we have set some activities to keep you busy!
Please complete them (if you can) and bring your learning back to school to show us for
some extra dojos! 😊

Snuggle up with a book

Read to an adult/yourself

Practise your number bonds

My Happy Mind – Write down 5 things you are grateful for

Help to make your dinner today

Stay cosy and warm and make a hot chocolate

Snuggle on the sofa and watch a film or look for a Julia Donaldson episode to watch on BBC
iPlayer

Create some winter art – colour, draw, paint, cut and stick (whatever you can create with
what you have at home)

Where family and learning unite

respect • appreciation • honesty • kindness • perseverance
