Dear Parents and Carers,

As we reach the end of our second week, it has been wonderful to see how well the children have settled into Year 2. We are now asking for your support in encouraging and developing their independence in their daily school routines. Therefore, we.

kindly ask for you to allow your child to come into school by themselves each morning, after waving them off from the main entrance steps.

Any messages for the class teachers can be passed on through Mrs McCloskey or Miss Smith (Family Support Worker) who are outside greeting the children.

It is really important that class teachers are in the classroom in a morning to meet and welcome the children in for the day, therefore any morning appointments need to be arranged in advance.

As part of our open-door policy, Mrs Martin or Miss Beth are on the playground each evening for any informal chats or messages.

Thank you for your cooperation,

Lisa McCloskey
