Monday 24<sup>th</sup> June 2019

Dear Parents/Carers,

On Friday (28<sup>th</sup> June) we are taking over the Town Square and putting on our very own Farmers' Market. The stalls will be open from 9:30am – 11:30am. Please come and support us and bring family and friends too! ☺

### Enterprise Project Brief

Each class has been given £15 from Mrs Toor to turn in to as much profit as possible. The products that they make to sell must include some produce that we have grown in school (or our allotment). The class who make the most profit will win a prize.

Each class will have their own market stall on the town square. Children will be given a time slot (half an hour per group) when they will be selling – we will send this time home on a slip so you know what time your child will be on the market.

Please note: Reception class will be selling their products from their own market at school in the Outdoor area (access via Nursery entrance) from 9:15 – 10:15am.

This is an exciting enterprise opportunity for our children and includes so many cross-curricular skills – planning and organising, working to a budget, managing money and giving change, making produce to sell, presenting, decorating and much more! It gives children a real purpose for their learning.

We are all very excited and hope to see you there on Friday! ☺

Yours Sincerely,

Mrs Toor

Deputy Headteacher
