## Parents' Comments

### **If you have answered 'unsure' or 'disagree' to any questions, what could we improve?**

- Concerns, expectations, does my child do well at school? My child may have learning issues, we are in the process of having her assessed for suspected ADHD, so she cannot be properly taught as yet. So expectations cannot be properly set at this time. Also, our concerns about her cannot be addressed until a diagnosis has been made and a learning plan drawn up.
- I'm not sure about the expectations for my child. I generally know that all children are supported at a average level but I dont feel there has yet been a push to achieve higher.

### **In what further ways can school help you support your child?**

- For homework, my child would benefit from having more difficult maths, i.e. mastery questions as well as the homework already given to them. Other than that, I am very happy with the school and all the staff that work here.

### **OTHER COMMENTS**

- We are very happy with the school and staff - our child has made great progress.
- Both of my children have done very well at Gisburn Road CP School, all thanks to the fantastic staff! Well done everyone, keep being amazing!
