## **Appendix A**

### **Remote Learning During the Coronavirus (COVID-19) Pandemic**

Within the ever-changing circumstances we are currently living through, we have to be prepared for local lockdowns. In the event of a local lockdown, the school will implement provision for remote learning, so pupils never miss out on education. We will ensure that our curriculum is inclusive and accessible to all. This policy annex outlines how we will deliver remote education during the pandemic.

#### **Contingency planning**

- The school will open to all pupils at the start of the Autumn term, in line with national and local guidance.
- The school will work closely with the LA to ensure the premises is 'COVID-secure', and will complete all necessary risk assessments – results of the opening risk assessment will be published on the school's website.
- The school will work closely with the local health protection team when entering into a local lockdown and implement the provisions set within their contingency plan.
- The school will communicate its plan for a local lockdown with parents, including whether it will remain open to vulnerable pupils and children of critical workers, or if remote working will be applicable for all.
- If there is not a local lockdown, but a single class or 'bubble' needs to self-isolate, the school will implement remote learning immediately for that group.

#### **Teaching and learning**

- All pupils will have access to high quality education when remote working.
- The school will use a range of teaching methods to cater for all different learning styles, this includes:
  - Current online learning portals

  - Pre-recorded video or audio lessons
  - Various reading tasks – e.g. comprehension, inference and prediction
  - Daily challenges
  - Times Table Rock Stars
  - Mental Health/ Well-being activities/Jigsaw
- Teachers will ensure lessons are inclusive for all pupils and can be adapted to account for the needs of disadvantaged pupils and pupils with SEND.
- When teaching pupils who are working remotely, teachers will:
  - Set assignments so that pupils have meaningful and ambitious work each day.
  - Deliver a planned, coherent and well-sequenced curriculum which allows skills to be built incrementally.
  - Provide frequent, clear explanations of new content through high quality curriculum resources, including through educational videos.

- Assess progress by using questions and other suitable tasks and be clear on how regularly work will be checked.
- Adjust the pace or difficulty of what is being taught in response to questions or assessments, including, where necessary, revising material or simplifying explanations to ensure pupils' understanding.
- Plan a programme that is of equivalent length to the core teaching pupils would receive in school, ideally including daily contact with teachers.
- All provisions for remote learning will be subject to the class group's age and ability.
- In exceptional circumstances, the school may reduce its curriculum offering to enable pupils to cope with the workload – the headteacher will assess this need, keeping pupils' best interests in mind, and will not make the decision lightly.
- Teachers will continue to make use of formative assessments throughout the academic year, e.g. quizzes.

### **Returning to school**

- The headteacher will work with the LA to ensure pupils only return to school when it is safe for them to do so.
- After a period of self-isolation, or the lessening of local lockdown rules, the headteacher will inform parents when their child will return to school.
- The headteacher will listen to all concerns that parents may have about their child returning to school and will advise them of the measures in place to ensure the safety of their child.
